Dear Friends,

As I write, the World Cup is underway (and England are still in it!), Wimbledon is just around the corner, and the strawberries are starting to turn red. If the hot weather would just come back, it would really feel like summer was here.

I'm always pleased when it feels like summer is coming: even though it's quite a while since I had long holidays with nothing to do, the beginning of summer always seems to promise those weeks of school holiday, which we remember as sunny, warm and fun. We remember playing outside for ages, having weeks of freedom, and we forget the cold wet days, when we sat inside, complaining that we were bored, that there was nothing to do.

What are the things you feel nostalgic about, I wonder? Are they times in your life, or places you've lived, or to which you have been on holiday? And what are the things which trigger that nostalgia for you – is it a particular smell, or a piece of music? How does it make you feel – is it joyful, like my feeling of freedom at the promise of summer on its way? Or is it terribly sad – reminding you of a lost and much-missed world? Whichever it is, it is something for which to be thankful, and it is part of what makes us who we are today. But it is not something we should wallow in too much, stopping us appreciating the present.

At the heart of Christian faith is the belief that we should be thankful, praising God for all the good things that we enjoy. So enjoy your summer, whatever it brings, but take a moment to give thanks for each new day and all that it offers.

Best wishes,
Hannah

MARSH BALDON SCHOOL NEWS

Lots of things have been happening at the school over the last month or two and things seem to be even busier as we head towards the end of another academic year.

In May, the whole school went to Hill End Field Studies Centre for three days. All the children except the youngest stayed overnight and everyone had a great time camp building, orienteering, using the climbing wall and completing 'Forest School' activities. They also were able to spend time with their friends and look after themselves!

The Infants took part in the Infant music festival where they performed 'Honeybee' with other schools in the Partnership. The School Choir continues to go from strength to strength and the highlight this term will be when they take part in the Festival of Voices concert at Dorchester Abbey in June.

Our Year 6 children enjoyed a day trip to Boulogne in France. The trip was organised by Horspath School and they all had a great time. Children have also taken part very successfully in Tag Rugby and Swimming competitions. We have also had a poet in for the day, visited Chedworth Roman Villa and the School Council have sponsored a Guide Dog puppy called 'Gilbert'.

By the time you read this article, we will have held our Maypole Display, had Sports Day, and some of the children will have visited a Fairground and hopefully Heart FM, the local radio station.

At school, the pergola has now been added to the hall, the gardening area is now up and running and we have plans to create a wildlife garden in the school grounds.

It is an extremely busy time and there appears to be no letting up before we finish in the summer. I am extremely grateful to all the staff for all the work they put in for the benefit of the children. This school is certainly one the village can be proud of.

Sadly we will be saying goodbye to quite a few people at the end of term. We have a special group of Year 6's this year, who will be leaving us at the end of term and we wish them every success in the future but hope also that they will come back and tell us how they are doing. So good luck to Edward, Charlie, Rose, Becky, Savannah, Lydia, Jonty, Izak and Fin. We hope you have a great time at your next schools.

We will also be saying farewell to Miss Louise Stewart, our Class 1 teacher who has been with us for nearly three years. Louise is an excellent teacher and has worked tirelessly for the children of Marsh Baldon and I know she will be missed by everyone here. The children of Thameside School in Abingdon are very lucky!

Below are just some of the events we have lined up for the rest of term. If you are not busy, please come and visit and join in with the children as we head towards the Summer holidays. Hopefully the weather will be kind to us so we can continue to be ‘out and about’.

Thur	1	July	Sports Day – on the green
Thur	8	July	Area Sports at Wheatley Primary
Fri	16	July	Achievers Assembly 9.00am
Wed	21	July	Leavers Assembly Church 9.00am

Please say hello to the children if you see us in and around the village. On behalf of everyone at the school, I hope everyone in the village has a great Summer. We reopen on Thursday September 2nd.

Nick Pitson – Headteacher

FIRST ACTIONS FROM THE PARISH PLAN!

One of the issues that emerged from the Parish Plan questionnaire was the perceived “rat-running” through the Baldons. 87.5% of respondents supported the retention of our “Access Only” designation, and around 57% of respondents felt that clearer and more advance signs at the turnings into the villages would be helpful in preventing this problem.

This information was taken into account during recent discussions between the Parish Councils of the Baldons and Nuneham Courtenay and Oxfordshire County Council’s Highways department, with the result that in the middle of June, new signage was installed on the A4074. This signage gives advance warning of and greater prominence to the “Access Only” designation: there are now advance signs in both directions, and a sign at the junction itself, in addition to the existing signs on either side of Baldon Lane.

The Parish Plan Steering Committee is working hard to pull the Action Plan together from results of the questionnaire and from our discussions with groups inside and outside the villages. This Action Plan, by reflecting the views of the residents of the Baldons, will help to shape the future of the villages, both in terms of lobbying service and funding providers, and in prompting us all into action for the benefit of our community.

BALDONS PARISH COUNCIL NEWS

Bus service No 89

The new no 89 service has now started and initial reports indicate that it is a proper bus with a destination board and ticket machine and with a low floor to make for easier access for those with mobility problems, push chairs or shopping trolleys. The bus also seems to run to time. On the basis of use it or lose it, please try to use it and let parish councillors or Ralph Slaney have your feedback.

New Thames Footpath at Shillingford

Of interest to walkers might be the recent announcement by Oxfordshire County Council of the opening up of a previously closed footpath near Shillingford following agreement with a landowner.

Countryside officers have reactivated a 14th Century riverside pathway by linking it up to a nearby bridleway with a new section of footpath. The riverside path used to connect with the other side of the river via a ferry service, but the ferry stopped in the 18th Century and the path became a dead end when the second Shillingford Bridge was built in 1827.

The path runs between North Farm and Shillingford Bridge. Details and a map are on the OCC website.

Garden Waste

Please can we again remind villagers, particularly those living round the green, not to use the village green for the disposal of garden waste and grass cuttings. Now that SODC provide garden waste bins this is the most environmentally friendly way of disposing of waste that cannot be composted in gardens.

Bank Holiday refuse collections: Revised date Tuesday 31st August. (Green bins)

Date of next meeting: 14th September 7.30 pm Village hall

REPORT ON THE GRENOBLE ROAD DEVELOPMENT

I am delighted to say that our Core Strategy has been held back for the present whilst we await clarification from Eric Pickles on the way forward. The very large housing numbers which had been imposed by the Labour government in the district through the South East Plan are now likely to be lowered to meet the realistic needs of our villages and towns; future developments in villages will only be permitted when they are considered sustainable in the long term and our rural areas will not now be over run by urban sprawl.

We have been assured absolutely that the Grenoble Road Development is finally confined to the past. I will continue to do all that I can to enhance the quality of the environment and the sustainability of our villages. I feel passionately that we should be community needs led rather than led by housing needs dictated by central government.

Elizabeth Gillespie – District Councillor

NUNEHAM COURTENAY PARISH COUNCIL NEWS

Meeting agendas and minutes are also held on the website as and when produced.

The meeting is open to the public and there is an open session towards the start of the meeting at which queries or issues can be raised. Alternatively you can contact the Parish Clerk in advance.

NUNEHAM COURTENAY 250TH ANNIVERSARY CELEBRATIONS

The planning is in hand for a celebration of the 250th anniversary of the village being moved to its current location. (There is no truth in the rumour that we are planning to move it back again!).

A traditional garden party is planned for 3 pm on Saturday 4 September on the Old Recreation Ground. We hope to have a picnic, games, tractor rides etc. - an afternoon of fun for all the family, and all the villagers.

If you would like to get involved in planning or helping then please contact Lauren Lister; tel.: 01865 340234; e-mail: lauren.lister@spacelabs.com.

NUNEHAM COURTENAY VILLAGE HALL UPDATE

We patiently await the full details from the various assessors as to the full extent of the damage, cost and timescale of repair work. A big thank you to all those who have pledged donations towards the repair fund. We hope to use this opportunity to make additional improvements to the hall, so our focus turns now to fund raising. We welcome your support and any suggestions for events that may appeal to the wider community! oldtowncottage@uwclub.net

Date for the Diary

Friday 23rd July, Nuneham Courtenay Village Hall Committee will be hosting a 'Pub' Quiz Night at Baldon Village Hall starting at 7.30pm. Prizes and hot refreshments available. All proceeds going to the repair fund! Details to follow.

NEWSLETTER NOW DELIVERED FREE TO ALL!

As some of you may already know, there have been recent discussions regarding the future funding of this newsletter. This has followed the responses to the Baldons Parish Plan Questionnaire, and the discussions have involved the PCC and the Parish Councils of both the Baldons and Nuneham.

Starting from this issue, the annual cost the newsletter will be divided between the Baldons and Nuneham Parish Councils and the PCC, and supported by advertising, so that the Newsletter can now be delivered FREE to EVERY household in the Baldons and Nuneham.

I would like to thank our gallant distribution team for the tremendous work they do – in particular all the hard work which has gone into collecting subscriptions over many years. Without their support, the newsletter could not survive.

We have had some trouble with joy riders parking and using the car park late at night. Unfortunately, the only way to deal with this seems to be to lock the car park – so we are going to try locking the car park at night in July to see if this solves the problem.

COUNTY COUNCILLOR'S REPORT

I am afraid the financial picture is pretty gloomy for all of local government, including Oxfordshire County Council. I need to report to you on four aspects of our finances.

1. Over the five years from 2010/11 to 2014/15, we will have to make a bit over £35 million in real cuts, while still investing in services where we expect the highest pressure.
2. Of the national savings of £6.5 billion, £1.2 billion was cuts in funding to local government. It looks as if a little under £11 million of this is coming our way. We are working hard to identify how we will deliver those cuts and make them work.
3. The County Council has been spending a little more than £100 million per year on capital schemes for schools, highways, libraries, museums, day centres and a whole host of other service areas. However, it is very clear that we are going to have a lot less over the next five to ten years. We have therefore instituted a comprehensive review of all of our capital spending, with final decisions to be taken when we set the capital programme in February 2011.
4. The government will conduct a Comprehensive Spending Review later this year, reporting in the Autumn. This will determine our financial allocations for the next three years. As I said above, we have already made a lot of savings but we have no idea whether they will be enough. My best guess is that they will not be and we will be scouring our service areas to see what more we can do.

It is quite worrying but I do need to reassure you that the County Council is much stronger than many because we took early decisions to get ahead and stay ahead. There will be considerable public consultation and I will keep you posted.

CHRISTIAN AID WEEK, 9TH – 15TH MAY 2010

A big 'THANK YOU' from the PCC to all those in our villages who gave so generously over Christian Aid Week. With the house-to-house envelope collections, we raised a total of £578.30 and CA will also be able to reclaim income tax on the Gift Aid element. A fantastic result and thanks also to those who did all the footwork.

Marcus and Mary Braybrooke's Christian Aid Coffee Morning also raised £260. Thank you to all who supported it. It was good to see people from most of the parishes in the Team. A video about Christian aid's work showed how helping to bring clean water can dramatically change the lives of people who live in appalling conditions of a shanty town near Nairobi in Kenya.

BIRD MIGRATION IN THE BALDONS

This spring, at the beginning of April, I started a 'project' to look at migrant birds using farmland. We know a fair amount about coastal migration, but away from the coast the use of habitat by migrants is less understood. The farmland in the Baldon area is as good as and perhaps better than any in the vicinity to look at this.

'Ornithologically' Marsh Baldon is best known for a Red-necked Phalarope, a female was seen on the school pond in 1960, first seen by farm workers early morning on the 25th June, it stayed to the 7th July. One pupil who saw it told me in the Seven Stars that he remembered it. The most notable species I'd seen (or heard) before this year was a Whimbrel, flying over one night (1990s).

My first morning visit was on April 7th, my aim being to be out every morning in the spring, through to mid June. Perhaps the most interesting thing was the number of birds moving through the area - some birds using the area as a staging post like a coastal location, thus the number of singing birds recorded on a day not necessarily being a reflection on the number of pairs breeding. 87 species were recorded.

Hoopoe: the highlight of the spring was a bird that flew up from the track near the Parsonage barns, it flew over the farm and was seen later in a horse paddock towards Toot Baldon by two people, before heading towards Toot Baldon. It wasn't seen again. There were also records in London and Cambridgeshire that day of this scarce UK 'vagrant'.

Ring Ouzel: 2 recorded, 1 24/4, 1 26/4.

Chiffchaff: several pairs (20+).

Blackcap: several pairs (25+).

Garden Warbler: first recorded 3/5, 2+ pairs, several singing birds moved through.

Lesser Whitethroat: first recorded 14/4, 3+ pairs, several singing birds moved through.

Whitethroat: first recorded 13/4, 91 singing males on 15/5 (the number of breeding pairs though is less than this).

Sedge Warbler: first recorded 28/4, around 5 pairs ditches north of Toot.

Willow Warbler, 4 pairs in small willow area north of Toot, several singing birds moved through.

Grasshopper Warbler: 1 20/4, 2 24/4, 1 4/5, 1 16/5.

Swallow: several pairs particularly in the vicinity of farm buildings.

House Martin: first recorded 27/4.

Swift: first recorded 2/5.

Cuckoo: first recorded 22/4 with several moving through (the longest a bird stayed was 2 days), the last 4/6.

Hobby: one seen 23/4 and a few other dates.

Yellow Wagtail: about 8 pairs on the farmland below Toot church, particularly favouring the wheat and also the nearby bean field. This is one of the most beautiful summer migrants and singing males provide superb views on hedgerows, horses no doubt having a positive effect with manure benefiting prey items.

Wheatear: peak count was of 15 on 21/4, birds seen on several dates, last a male seen on the track below the Parsonage farm barns 15/5.

Whinchat: males on 21/4 and 4/5, a female on 9/5.

Redstart: males seen on 7/4, 19/4 (showing well on a fence near Marsh Baldon church, by one of the horse paddocks), 21/4 (2 seen), 2/5.

Other birds of note. **Fieldfares** were last seen on 23/4 and **Meadow Pipits** on 29/4 (a winter visitor in this area of the county). A **Green Sandpiper** was seen on a couple of occasions in early April, a pair of **Peregrines** were seen on 22/5 north of Toot Baldon, where these had come from (or went to) is unclear.

A pair of **Tree Sparrows** turned up on 21/5 in a hedge below Toot Baldon church with one bird at least still present on 27/5 (they may have attempted breeding or perhaps could still be in the area). This species has undergone a large decline in the UK and is now a scarce breeding bird in Oxfordshire.

Other declining 'farmland' birds include several pairs of **Skylark**, a few pairs of **Yellowhammer** and **Reed Bunting** and 2+ pairs of **Grey Partridge**. Singing **Corn Buntings** recorded on 9/4, 30/5, 5/5 11/6 (all by the barley field below Parsonage farm, where poppies have brightened up the margin), 16/6 (this one by the bean field).

A **Curlew** flew north 4/6, a pair of **Lapwings** were recorded on a couple of dates in May but moved on (perhaps having failed elsewhere). Young **Rooks** were seen on two occasions having fallen out the nest near the rookery near Baldon House in May and two young **Jackdaws** had fallen out the nest and were residing in Toot Baldon church in June.

Notable absences were **Spotted Flycatchers** (still breeding in the area around 3 years ago), **Turtle Doves** presumably disappeared from the area long before this.

Butterflies included Orange Tip seen on sunny days from 17/4, and a few records of Painted Ladies (an early one on 29/4) and Red Admirals.

**CHORAL EVENSONG, DORCHESTER ABBEY
SUNDAY 18TH JULY AT 6.00PM; TEA AT 4.30PM**

Speaker Sister Martha; Bethany School for Girls

Sister Martha is from the Bethany School for Girls, an Orthodox school in the Holy Land which is sponsored by Biblelands. She was born in Kazakhstan of German parents but returned to her homeland when she was eleven. At twenty one she was baptised into the Russian Orthodox Church. Then after training to be a teacher she entered monastic life and was sent to Saint Mary Magdalene Convent in Gethsemane, then to moved to Bethany. For the past five years Sister Martha has been the director of the school.

The school has been run by The Russian Orthodox Monastery since 1936 when it was established by Abbess Mary and Mother Martha who were both former Anglicans from Scotland who later converted to Orthodoxy.

Please come and hear of the work of the School and meet Sister Martha over tea before the Service.

SUNDAY 4TH JULY ST BIRINUS PILGRIMAGE

Come and join the St Birinus Pilgrimage walk from Churn Knob near Blewbury to Dorchester Abbey. The walk is about 12 miles along foot paths and tracks. If you wish you can stop for refreshments at Brightwell cum Sotwell village hall before your final leg up Wittenham Clumps to Dorchester. Tea is available for everyone at the end of the walk in the Presbytery garden in Dorchester (a donation in payment would be appreciated). The walk is not regimented in any way; you can walk at your own pace, and if you want, meet and chat with other walkers. If you would prefer to do a shorter walk then you can start at Brightwell village hall.

On the walk, if you wish, you can visit the five churches on the route; Blewbury, South Moreton, Brightwell, Little Wittenham, and St Birinus Catholic Church in Dorchester and have a pilgrimage passport stamped in each church.

At 6.15 a procession leaves the Catholic Church to go to Abbey for the pilgrimage service in the Abbey at 6.30. The service is always a stimulating and enjoyable experience. After the service there is delicious food and drink for sale in the cloister garden, this makes a lovely end to a most enjoyable day.

You are most welcome to join in any part, or in all the parts of these St Birinus pilgrimage festivities.
