

Standing Orders

Based upon the NALC Model Orders July 2018, modified by this Council to support the new empowerment enshrined in the Coronavirus Act 2020 and associated 2020 Regulations.

These Standing Orders were adopted by the council at the meeting held on 13 July 2020

Introduction

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer.
